THE STETSON SEAL

The seal of Stetson is representative of the school. It was adopted by the school in 1889. The Latin motto, "Pro Deo et Veritate," is translated, "For God and Truth." The lamp, signifying the light of truth, rests on the book of knowledge.

THE STETSON COLORS

Stetson's colors of green and white have a deep meaning. The green signifies growth and the white represents purity. These colors were chosen from the Orange tree and they have been a symbol of the school since 1901.

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we greet thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear!

Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright in their glory, fadeless and undying,
Hail to our heroes gone!

Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus,
Long live our comrades dear!

Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices lift once again in chorus;
Hail, Alma Mater dear!

Dear Fellow Students,

On behalf of the Student Government, I would like to welcome all new students to Stetson University and welcome back all returning students. As some of you know and others will find out, Student Government here is in a transitional period. Student Government presently has a limited amount of influence in the governance of this University. Students, as individuals, through the vehicle of Student Government or, however, participating in virtually every University committee from curriculum to athletics. Hopefully in the next year through this individual involvement, Student Government, and in particular the Student Government Senate, will become more influential in University affairs.

This is not to say that Student Government does not have its more traditional function of supervising and administering student activities and affairs. This year, through an increase in the Student Government fee, the Student Government will sponsor eight major concerts and co-sponsor a much improved Artists and Lecturers Series. Add to this the Student Government committees of Orientation, Homecoming, Parents' Weekend and Green Feather and you have a very active organization.

All of these activities need new people and new ideas. Get involved, whether it be in the Student Senate, the S.G.A. committees, judiciary councils, or publications. Only through increased participation and the active support on the part of the new and returning students at Stetson will Student Government become more influential in the governance of the University.

Sincerely,

Curt Logan

President, Student Government
Association

ORIENTATION COMMITTEE

Dear Incoming Student,

It is our pleasure on behalf of the Orientation Committee to welcome you as a new member of the Stetson community. When you arrive on campus this fall, we will serve as your official host and hostess. We are not only anxious to meet you personally, but to assist you in becoming acquainted with the other members of Stetson University. We trust that you will find not only people who are willing to be of assistance to you, but of greater importance, people who want to greet you as new friends.

The Orientation Week schedule is included in this handbook. We encourage you to become familiar with the Orientation Week program so that we might answer any questions that you have concerning the activities. As you familiarize yourself with the Orientation schedule, please keep in mind that this Week has been designed for you, and you will receive the greatest benefit from this Week only by attending all of the activities. By taking full advantage of the opportunities afforded you during this Week your future years at Stetson will be made much more meaningful.

The opportunities afforded during Orientation Week include a wide variety of academic, informational, and social activities. We hope that you will help us make Orientation Week a success for you by participating in all of these.

ACADEMIC PROCEDURES

Students should become familiar immediately with the Office of the Registrar. This office strives to serve each student. However, all (including students and staff) must observe University policies and requirements. Information concerning limitation, minimum requirements, etc. may be obtained from this office. Referral to other agencies of the University in the case of problems will also be performed by the Office of the Registrar. Information about a student's record is released ONLY to advisers, the student personnel offices, and other official University agencies on a need-to-know basis unless the student himself instructs this office to release the information. If there are questions concerning the confidentiality of records, students should see the Registrar or the Student Deans.

REGISTRATION APPOINTMENTS

Registration appointments are distributed by the Office of the Registrar.

SCHEDULE OF COURSES

Approximately two weeks before registration, the Schedule of Courses for the upcoming term is published. Copies of the Schedule may be obtained from the Office of the Registrar.

CHANGE OF STUDENT INFORMATION

Change of information such as address, grade mailing, major, etc. should be reported to the Office of the Registrar so that the change may be incorporated into the student record.

CLASS CHANGES AFTER REGISTRATION

A. During the Drop/Add period, a student should complete a Drop/Add form. Copies of the form may be obtained from the student's adviser or from the Office of the Registrar. The form must be signed by the student's adviser and the form submitted to the Office of the Registrar. The dates for processing Drop/Add forms will appear in the University Calendar.

B. After the close of the Drop/Add period, a student wishing to delete a course from his schedule must process a Withdrawal from Course form. These forms are available from the Office of the Registrar. The student must obtain permission from his adviser, a grade (W or WF) from his instructor, and submit the form to the Office of the Registrar. Consult the University Calendar for deadline dates.

QUALITY POINTS

Stetson University is on a 3.0 system

A = 3.0 quality points for each hour

B = 2.0 quality points for each hour

C = 1.0 quality point for each hour

D = 0 quality point for each hour

F = -1 quality point for each hour

REQUIRED GRADE AVERAGES

In order to progress toward graduation, it is necessary that a student complete courses with satisfactory grades. Whenever a student's academic average falls below a "C" (1.0), he will be placed on probation. A student on probation who does not earn a satisfactory average during his next term of enrollment may be excluded from further registration. In the event a student is experiencing academic difficulties, he should talk with his adviser concerning his educational program.

GRADE REPORTS

Grades are mailed from the office of the Registrar as soon as possible after the close of the semester. Grades are mailed to the student's home address and also distributed through the campus post office boxes.

TRANSCRIPTS

To request an official transcript of his University record, the student notifies the office of the Registrar in writing.

APPLICATION FOR DEGREE

During the semester preceding the graduation semester, the student must file an application for degree and submit the form to the office of the Registrar. Consult the University Catalogue for deadline dates.

RECORDS FROM OTHER COLLEGES OR UNIVERSITIES

It is necessary that an official copy of all work attempted at other institutions be on file in the office of the Registrar. Therefore, if a student attends another school after enrolling at this University, he must request the Registrar at the other institution to forward an official transcript directly to the office of the Registrar at Stetson University.

SELECTIVE SERVICE

Information and forms for reporting school attendance are available in the office of the Registrar.

STUDENTS ATTENDING SCHOOL UNDER THE AUSPICES OF A FEDERAL AGENCY

The Registrar's office will furnish certification of attendance upon request of the student.

CLASS ABSENCE

Although independent study is encouraged at Stetson, regular attendance at many classes is required. The individual colleges of the University may establish their own attendance regulations. It is the student's responsibility to acquaint himself with the policy of each of his instructors.

While there are no "excused" absences, a student who misses a class due to circumstances beyond his control may have these absences explained by the Infirmary or the appropriate student dean.

In order to receive an Infirmary explanation for class absence, a student must report physically to the Infirmary and be diagnosed as being too ill to attend class. A report to the Infirmary after the illness or telephone calls will not suffice for obtaining an Infirmary explanation.

If a student is too ill to report physically to the Infirmary, the appropriate student dean should be notified, so that necessary steps may be taken to provide the proper medical attention and to inform instructors.

CLASSIFICATION OF STUDENTS

Regular students are those registered as candidates for undergraduate degrees. They are full time in any semester if they carry at least 12 semester hours of class work, part time if they carry less. Regular students are Freshmen until they have completed 27 hours, Sophomores on completion of 27 hours, Juniors after completion of 64 hours, and Seniors when they have completed 96 hours with a "C" average.

Special students are not eligible to work toward a degree.

Graduate students are those in progress toward a graduate degree.

Unclassified students are those who are not candidates for degrees.

Auditors attend classes but do not receive credit; they participate in class work at the option of the instructor.

UNIVERSITY CATALOGUE

Each student should become familiar with the University Catalogue. He should pay special attention to the section that deals with degree requirements in his major. Then, in consultation with his faculty adviser, he should, during his first semester in attendance, plan his program of study.

ADMINISTRATIVE OFFICES

Administrative offices are open from 8:30 a.m. to 12:00 noon and from 1:00 p.m. to 4:30 p.m. Monday through Friday. Students are urged to transact business during these hours. (Personnel offices are open during the noon hour.)

COUNSELING CENTER

The Counseling Center provides individual and small group counseling services, testing, vocational information, and further referral services. These services are provided without charge to the student. Information exchanged is confidential and does not become a part of the student's school records.

Interested students are invited to drop by the Counseling Center for an appointment or to telephone if they desire.

FINANCIAL AID TO STUDENTS

The purpose of the Financial Aid Program at Stetson University is to make available financial assistance to any student who qualifies for admission but would be unable to enroll or continue his education due to financial circumstances beyond his control.

After an applicant is accepted for admission, his Parents' Confidential Statement has been appraised, and an amount of financial need has been established, the Financial Aid Committee determines which type, or types, of aid will best fit his circumstances. Most applicants will have their need met through a combination of various types of aid.

Financial aid is awarded to Stetson students on the basis of need and a request must be submitted each year for renewal.

FOOD SERVICES

The University Cafeteria is located in the Carlton Union Building. A dietitian is available to aid students who need special diets.

The "Hatrack" is the soda shop, also located in the Union Building.

Banquets and special meals are catered in private dining rooms and the Stetson Room on the second floor of the building.

Operating hours will be posted.

HEALTH SERVICES

The University INFIRMARY, located in the north wing of Chaudoin Hall, is open twenty-four hours a day with nurses on duty. The University doctor, Dr. Landon Smith, is in the Infirmary at 1:00 p.m. on Mondays, Tuesdays, Wednesdays, and Fridays, and at 8:00 a.m. on Thursdays.

Students are free to see other doctors at their own expense. The Infirmary personnel will be glad to make appointments or otherwise assist them. It is urged that students report to the Infirmary or to the appropriate student dean's office if they are under the care of another physician.

OFFICIAL NOTICES

Notices of interest or importance to students are published each week in the Stetson REPORTER. Information must be turned in to the REPORTER office on the Monday or Tuesday noon before publication. It is the student's responsibility to check his mail box for important notices and information.

PLACEMENT SERVICES

The Placement Office provides the opportunity for seniors to interview employer representatives on campus and assists students in the development of necessary files for seeking employment. The Placement Office is located in room 210 Carlton Union Building.

PRINT SHOP

The Print Shop, in the basement of the Southeast Corner of Flagler Hall is available to the students for the copying of Theses and term papers when 10 or more copies are required. Services are also available to all campus organizations for the printing of stationery, programs and notices. Hours are from 8 a.m. to 12 noon and 1 p.m. to 4:30 p.m. during the school year.

STETSON AND FLORIDA BAPTISTS

Stetson University was established by a group of dedicated Baptist leaders in 1883 as a Christian institution of higher learning. In keeping with this heritage, Christian values and moral standards are ideals to which the University is dedicated. Since 1919 the University has been related to the Florida Baptist Convention and receives financial support through its denominational budget. The relationship between the Florida Baptist Convention and the University is one of mutual faith, respect and benefit and within this context both are committed to the ideal of quality Christian higher education.

STORAGE OF PERSONAL POSSESSIONS

The University will store a reasonable number of articles during the summer but **cannot** be responsible for loss or damage.

A nominal fee will be charged for handling the storage. This is not a storage fee!

STUDENT HOUSING

Students under 21 years of age are required to live in University residence halls. Those over 21 who choose to live off-campus must make application to do so through the appropriate student dean's office. Whenever a student changes his address, the student dean's office must be notified. All students enrolled in the University are subject to the standards and regulations set forth in this handbook and other University literature.

All residence halls are closed during the Christmas holidays and in the periods between the Spring and Summer sessions and between the Summer and Fall sessions. Students who have no place to stay during the Christmas period are assisted by the student deans in finding accommodations. During all other holiday periods, the University reserves the right to close as many buildings as necessary. At least one building for women and one for men will be maintained to accommodate students who remain on the campus. Information concerning the buildings to be used during these periods will be circulated at least two weeks prior to each holiday period.

Realizing the need for personal privacy, the University makes every effort to guarantee such privacy to the occupants of the University residence halls. Residence hall staff members or other University personnel will not make unannounced entry into an individual's room unless they have been instructed to do so by their Head Resident, Student Deans, or other appropriate University officials. Exceptions to this policy can be made in the interest of personal safety and protection of property.

The University reserves the right to have periodic room checks in the interest of personal hygiene and protection of property. Such checks will always be announced in advance.

STUDENT INSURANCE

Brochures explaining the Accident and Health Insurance policy offered by the University will be mailed to every student.

The University does not have insurance which covers the students' personal possessions. Each student is urged to discuss this with his family and to be sure that his possessions are insured.

TRANSPORTATION

Transportation is provided for students to many University functions which take place off the Stetson campus, in the form of University-owned station wagons. Campus organizations may rent these wagons by contacting Mr. Becker at the Service Center. The organization must provide its own driver, who must be at least 21 years of age and have a valid driver's license.

UNIVERSITY SCHEDULE AND CALENDAR OF EVENTS

The University Catalogue and THE COMPASS contain the year's calendar. Please note cut-off dates for registration, application for degree, changes of schedule, etc. The calendar for scheduling events is kept in the Office of the Dean of Women. All social, cultural, and other University events must be scheduled on this calendar.

Following is the procedure for scheduling events and speakers on the campus:

1. The master calendar for the University which is kept in the office of the Dean of Women on the first floor of Elizabeth Hall should be checked before any event is planned.

2. If a speaker is to be invited to the campus, the name should be presented to the Student Affairs Committee prior to issuing the invitation. This committee is the established channel through which speakers are cleared in order that there be no conflict in invitations going to the same individual from different groups and for the purpose of having a clearing house in the event there should be any potential controversy concerning the speaker. The committee requests that the speaker's name be presented, with as much biographical information as possible, in order that members who are not familiar with the individual may have the opportunity to vote intelligently. Unless the name presented is so well known that additional information is not necessary, the usual procedure of the committee is to vote one week following the presentation of the name.
3. Individuals who schedule events are asked to indicate information concerning facilities and equipment which will be needed for the program when the event is scheduled, in order that this information can be passed on to the proper sources.

WITHDRAWAL FROM THE UNIVERSITY

A student should report to the office of the appropriate Student Dean if he wishes to withdraw from the University.

CAMPUS BUILDINGS

ALLEN HALL is the student religious center given by the Florida Baptist Convention. It houses the offices of the Department of Religion, Director of Religious Activities, BSU Director, classrooms, a prayer room, meeting rooms for religious organizations, a stage and recreational facilities.

ALUMNI HOUSE is used as a center for keeping contact with alumni. It houses the Alumni and Development Offices.

BRICK PALACE houses, on the second floor, the University's COUNSELING CENTER, and in the basement, the CELLAR DOOR, the student coffee house. A lounge for graduate students is on the first floor.

CUMMINGS GYM houses the offices of the women's physical education department as well as facilities for women's and co-recreational activities. It has a main floor for basketball, badminton, and exercises. It also has separate classrooms, table tennis and recreational sports facilities, locker and shower rooms, photographic lab, corrective apparatus, and a complete equipment room.

CUMMINGS FIELD is the center for women's outdoor activities. The six tennis courts adjacent to Cummings Gym are available for limited use by students, faculty, and the public after class hours. Four courts for volleyball, handball, paddleball, and tennis practice are located west of the Cummings Gym courts. Tennis equipment may be checked out from the gym. Cummings Gym is open for women's recreation each weekday from 8:30 a.m. to 5:45 p.m.

DAVIS HALL, completed late in 1966, houses all facilities of the School of Business Administration. It is named for the Davis brothers of the Winn-Dixie food stores who donated most of the funds for the building.

duPONT-BALL LIBRARY, completed in 1964, contains the books, periodicals, government documents, maps and other materials for research. In the basement are located classrooms, the Departments of English and Teacher Education and a Curriculum Lab.

ELIZABETH HALL, named for the wife of John B. Stetson, is one of the largest classroom buildings at Stetson. It houses the administrative offices and the UNIVERSITY AUDITORIUM where the chapel services are held. The American flag flies daily in front of the Administration building. The flag is flown at half mast upon the death of immediate members of the University community or on the occasions of national mourning.

FLAGLER HALL contains Social Science classrooms and laboratories. In the basement are the University PRINT SHOP and DATA PROCESSING where registration takes place.

GILLESPIE MUSEUM OF MINERALS was established at Stetson in 1958, the gift of Mr. and Mrs. Thomas Gillespie. There are 1,125 mineral specimens out of about 1,600 known ones on display. The museum is considered by experts to be one of the best in the United States. It has been said to be the second largest private collection in the world.

HOLLER FOUNTAIN, named after William Holler, is located in the quadrangle between Elizabeth Hall and the duPont-Ball Library.

HULLEY FIELD serves as the varsity baseball practice field and has a volleyball court, two horse shoe pits, two paddleball courts and the R.O.T.C. marching field.

HULLEY TOWER contains the Eloise Chimes. Located in front of the tower is a concrete stage. Several times during the year movies are shown in front of the tower.

THE PANHELLENIC BUILDING contains apartments for each of Stetson's six national sororities.

PUBLIC RELATIONS BUILDING houses the Stetson University Public Relations, Alumni Records and Stetson Reporter.

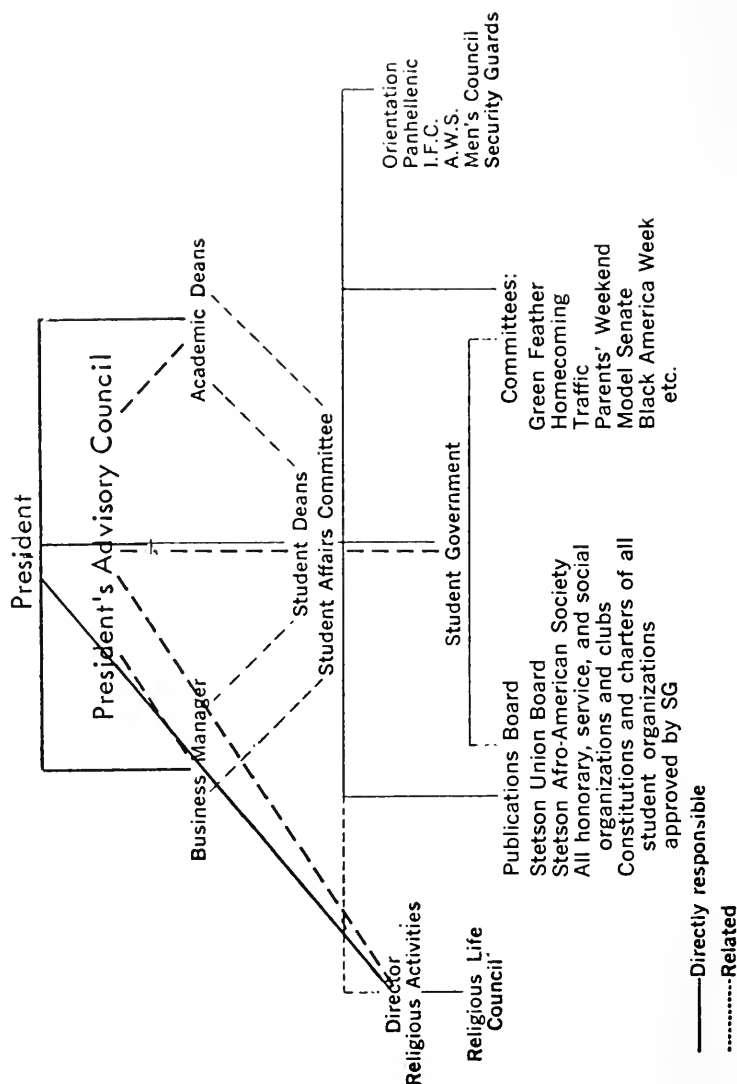

PRESSER HALL is the new music school. It contains many practice rooms, a music library, a courtyard, and studios for instructors.

SAGE HALL, completed in 1967, houses the physical science classrooms and laboratories. It contains much of the latest equipment for use in the sciences.

SAMPSON HALL, built with the help of Andrew Carnegie, is the home of the fine arts and language departments. It contains classrooms, language labs, the University art gallery, art department workrooms, and, on the second floor, the office of the department of American studies.

STOVER THEATRE, located behind Cummings Gym, is named for Dr. Irving Stover, a former professor of speech, who served Stetson for fifty-five years. Any student is eligible to participate in Stover Theatre productions, both in acting and in crew work. Watch for signs announcing tryouts and crew meetings. Bruce Griffith, director.

STUDENT AFFAIRS ORGANIZATIONAL CHART

PRESIDENT'S ADVISORY COUNCIL

The purpose of the President's Advisory Council is to promote better communication, to serve as a coordinating group, and to make recommendations on matters affecting the entire DeLand campus. The Council is composed of 17 students, 15 faculty members, and 13 administrative officers. The President of the University serves as chairman and there are three elected members from the Council who rotate the positions of Vice Chairman, Secretary, and Representative at Large. These officers form the Executive Committee which screens agenda prior to the monthly meetings. The elected members from the Council for 1972-73 are: Dr. Rollin Armour, Vice Chairman; Dean George Borders, Secretary; and Mr. Curt Logan.

STUDENT GOVERNMENT

The Student Government of Stetson University is the voice of the student government. Every undergraduate student in the University automatically becomes a member and is subject to its constitution and by-laws. Each spring students elect the officers of the Student Government who also serve as representatives to various University committees such as University Advisory Council and Student Affairs Committee. This year the officers are as follows:

President	Curt Logan
Vice-President	Mike Grishko
Secretary	Mary Smith
Treasurer	Roy Connor

For the first time this year, in order to be as representative as possible, the student body will elect their representatives to the Student Government Senate in the fall of this year on a geographical basis. There will be one representative per every 50 students or major fraction thereof in each dormitory or living area. This Student Senate meets every week on Thursday night at 9:00 p.m. in rooms 204-205 of the C.U.B. and is open to everyone.

The Student Government elections make campaign posters a familiar sight on campus.

EMPHASIS PROGRAMS

Some of the most active SG Committees are listed below. Students interested in working on any of these are asked to get in touch with the Student Government office in the SG building or with the committee chairman.

GREEN FEATHER COMMITTEE plans Stetson's annual, campus-wide charity campaign, the proceeds of which are contributed to the United Fund and thus divided among worthy national and local charities. The Green Feather weekend includes a carnival and the Miss Hatter Beauty Contest. Organizations sponsor booths for the carnival. Chairmen for 1972-73 are Nancy Scott and Pam Keene.

HOMECOMING COMMITTEE arranges for Stetson's annual homecoming. This weekend includes parties, open houses, a concert, lawn decorations and various sports activities. This year's homecoming will be supervised by Kristy Taylor and Paul Clemons.

PARENTS' WEEKEND COMMITTEE sets up a weekend of orientation and entertainment for parents who visit Stetson during Parents' Weekend. The weekend includes open houses, and various forms of entertainment. Nancy Shannon and Russ Tinsley are co-chairmen.

The MODEL U.S. SENATE is a new, innovative program which invites students from all over the country to participate in activities which organize along the same lines as the United States Senate: committees, caucuses, debates and bill passages. Also participating in speaking capacities are political figures with national reputations. The student chairwoman for the 1972-73 session is Cindy Horton.

BLACK EMPHASIS WEEK is sponsored by the Stetson Afro-American Society. Activities include speeches by noted black speakers, art exhibits, library exhibits, panel discussions and special food in the cafeteria.

STUDENT CONDUCT CODE

Students are subject to federal and state laws and ordinances as well as regulations prescribed by Stetson University. The breach or violation of any of these laws or regulations may result in judicial or disciplinary action.

When a student's behavior either on or off campus interferes with the rights of others or reflects adversely on the University, the appropriate councils maintain the right to adjudicate the case.

When a student is involved in an offense resulting in criminal conviction, the circumstances of the case may be reviewed by the appropriate councils to determine the status of the student.

In cases of extreme emergency, when the welfare of the individual or the University indicates the necessity of prompt decision, immediate administrative action may be taken, until the appropriate council can be convened.

Ultimately, it is the responsibility of the Student Judiciary Councils and the appropriate subcommittee of the Student Affairs Committee to determine a violation of the Student Conduct Code.

ALCOHOL

Stetson University does not condone the use of alcoholic beverages. The Student Judiciary Councils will adjudicate cases involving the use of said beverages in or around the public areas of the University or at University functions.

The Councils will also adjudicate cases involving violations of the Florida Statutes and the Student Code of Conduct.

CHEATING

In order to establish a uniform disciplinary procedure the following policies will govern:

On the first offense the minimum penalty will be a zero on the paper, test, or examination. The maximum penalty will be a failure in the course. Naturally, the professor must make his position clear to each class at the beginning of the semester and must be consistent in enforcing this policy.

A report of each offense will be sent to the Dean of Men or Dean of Women to become a part of the student's record. A first offense will not become a part of the student's permanent record.

Upon receipt by the Deans of a report of a second offense by the same student, they will turn the matter over to the Student Affairs Committee for disciplinary action.

DRESS CODE

The University does not attempt to publish a dress code. We believe that students should have enough respect for themselves and for the University community to dress in such a manner that they will not be offensive. It should be noted that some individual instructors and administrators have certain policies concerning what constitutes appropriate dress for their classes and offices. It is important that these opinions be respected.

DRUGS

Any student involved in the illegal manufacture, sale, possession, or use of narcotics, marijuana, hypnotics, sedatives, tranquilizers, stimulants, hallucinogens, or other similar known harmful or habit-forming drugs and/or chemicals is handled individually. The Councils strive in these, as they do in all cases, to help the person involved in any possible way.

PERSONAL INTEGRITY

The personal integrity of a student is held in highest regard at Stetson. Any student who, through acts of dishonesty or falsification of information or prejury or theft, demonstrates that he cannot live up to this ideal will be subject to dismissal from the University.

SMOKING

Smoking is prohibited in certain buildings because of fire insurance regulations. Students are urged to observe no smoking signs.

RESIDENCE HALL VISITATION HOURS

Men are permitted to visit in the lounges of women's buildings during the following hours:

10:00 a.m. to 11:00 p.m. — Sunday through Thursday

10:00 a.m. to 12:30 a.m. — Friday and Saturday

Since there are varied hours for visitation in the lounges of fraternity houses and men's residence halls, the hours are posted on bulletin boards in all residence halls. Students are responsible for informing themselves concerning these hours. The Student Judiciary Councils will adjudicate any violation of posted hours.

MARRIAGES

For purposes of record, a student who changes his status through marriage is requested to notify the appropriate student dean in personal conference prior to the wedding. The dean will make every effort to offer any assistance requested.

NOTICE TO PARENTS

When a student is involved in serious difficulty — academic, financial, social, or otherwise — the University may notify his parents or guardian. Parents are notified in cases of suspension or dismissal. In cases of disciplinary notice, students shall be notified prior to parental notice.

ASSOCIATED WOMEN STUDENTS

JUDICIARY COUNCIL 1972-73

President	Patty Barnhill
Vice President/Chairman of Interest Board	Lynda Kirker
Secretary	Kathy Craven
Treasurer	Ellen Kirby
Two-year Representative at Large	Bev Garbett
One-year Representative at Large	Donna Hipps
Freshman Representative	Jeannette Guess
House Presidents:	
Chaudoin	Cindy Ousley
Conrad	Kathy Kluytman
Emily	Sandy Smith
Stetson	Alice Kerr

The Associated Women Students' function is to provide a means for Stetson women to govern themselves. The major purpose of the AWS is to serve as an agency to promote character development and to aid the women of Stetson University in becoming responsible individuals who will be able and willing to meet the conflicts and challenges of their society. The Judicial Council has the function to enact and legislate social regulations. Appearance before Judicial Council is mandatory.

No penalty is ever given by the Council without due consideration of the violation, its seriousness, and the individual involved. The integrity of each woman is unquestioned unless she herself gives rise to doubt. A woman is notified in writing of her appearance before Council. She has the right and duty to refer her case back to the Council or to appeal to the Student Affairs Committee on Discipline if she feels the penalty to be unjustified.

Another important function of AWS is to provide an Interest Board which coordinates the function of the Women's Service Club and the Fashion Board. The AWS through this Board also provides programs of particular interest to women students.

Listed below are regulations which pertain to residence hall women:

- I. Closing hours for women's residence halls:
 Sunday through Thursday — 11:30 p.m.
 Friday and Saturday — 1:00 a.m.

II. Honor Keys:

As an expression of the faith which AWS has in the willingness of Stetson University women to assume increased responsibility for their conduct, senior, junior, sophomore, and freshman women are granted the privilege of using the residence hall honor keys for special occasions which necessitate their coming in after the building is closed. Senior, junior, and sophomore women have unlimited key privileges. After the first academic inventory, freshman women have two keys per week.

Qualifications for the honor key: Any woman who starts her second academic year.

Qualifications for the freshman key: Any freshman woman who has completed the initial five weeks of school through the first academic inventory period.

A woman who has achieved key eligibility by hour accumulations before her respective year may apply to Judicial Council for extension of her key privilege.

All keys must be checked out at the desk before the residence hall closes. On the key card it is necessary to fill in the destination, the expected time of return and, on returning to the residence hall, to place one's signature on the card.

Abuses of the key privilege which are subject to investigation and penalty by Judicial Council are:

1. Loss of key. This is a serious offense because it endangers the safety of each woman in the residence hall, and this loss is subject to revocation of the key privilege.

2. Failure to check key in by 10:00 a.m. This may result in revocation of the key privilege.

3. A student who allows another person to enter the residence hall on her key or gives her key to anyone else may have her key privilege revoked. (Special permission may be granted for out-of-town guests by the residence hall president.)

III. Off-campus and over night permissions:

Girls are required to sign out when leaving the residence hall for overnights, but the information is treated confidentially. Specific instructions will be given by AWS to the individual.

NOTE: All women are required to sign out for holidays. All women sign out if spending the night in another residence hall, the Infirmary or Panhellenic building.

First semester freshmen who will be out of the residence hall after 10:00 p.m., sign out on their WHITE permission cards, giving destination and time of return.

It is impossible to anticipate every special situation which may arise. Since the purpose of AWS is to serve the women students, we urge that one feel free to make any reasonable request to the Council.

MEN'S JUDICIARY COUNCIL 1972-73

The Men's Judiciary Council serves as a link between the University administration and the male students. Any male student violating a University regulation will be brought before the Men's Council for adjudication. Though the Council necessarily has to be involved in punitive matters, it tries to develop a sense of responsibility and high standards of conduct in each Stetson man by placing confidence in him to perform as a mature individual.

The Council exists to serve both the University and the male students who are an integral part of the University.

STUDENT TRAFFIC DEPARTMENT OF THE STUDENT GOVERNMENT

DIRECTOR — Roger Orr

PURPOSE . . .

The purpose is to organize, administer, and enforce traffic procedures on the campus in the best interest of administration, faculty and students.

LOCATION . . .

The office is located upstairs in the CUB, with the hours posted on the door.

REGISTRATION . . .

Registration of automobiles is part of every student's university registration, and is done so at the same time, or when a car is brought onto campus. Failure to comply will subject the student to a \$5.00 fine. Fees for parking permits for 1971-72 academic year:

Students	\$5.00
Faculty	\$5.00
Clerical Staff	\$1.00

REGULATIONS . . .

A set of traffic and parking regulations is issued to every student upon registration.

PERMITS . . .

If a student brings an automobile on campus for less than three weeks, he must apply at the office for a special permit which is issued without charge. Failure to apply will be considered non-registration and the same fine will be imposed.

Any student (freshmen included) may have an automobile on campus unless he is on academic probation or social probation or receiving financial aid from the University.

FINES . . .

1st violation	\$1.00
2nd violation	\$2.00
3rd and following violations	\$3.00
Non-registration	\$5.00

If these fines are not paid or appealed within ten days the fine will be doubled.

APPEALS . . .

Any appeals must be submitted within ten days after receiving a violation ticket to the traffic chairman in person or to Box 1349.

STETSON SECURITY

In 1967 Stetson University initiated a new program in campus security. Campus security at Stetson University is operated by full-time male students. The Security Guard, which is composed of approximately 30 men, is on duty 24 hours a day, and through its very sophisticated communication system and extensive training program provides security for the University and its students which has proven to be highly successful.

The Security Guard is responsible for guaranteeing student safety as well as security of University buildings and grounds.

The Security Guard exists for the welfare of each member of the Stetson community and is there to serve whenever needed.

INTERCOLLEGIATE SPORTS

Stetson University has varsity teams competing in basketball, soccer, baseball, tennis, and golf. All University men are urged to try out for these teams. Freshmen are eligible.

Stetson had winning seasons in soccer, basketball, baseball, and golf. Stetson hosted the first intercollegiate soccer classic in the United States in 1968. The Hatter Invitational Tournament for basketball is held every January.

MEN'S INTRAMURALS

Stetson's physical education department and the Intramural Board provide a varied intramural sport program for all men desiring to participate. Teams are entered by the Greek fraternities and by other organizations. A wide range of sports including football, basketball, baseball, tennis, golf, volleyball, bowling, table tennis, paddleball, cross-country and horseshoes is played. Points are awarded in each sport and the organization accumulating the greatest number of points throughout the year is awarded the President's Cup. Any team winning three years in a row retires the trophy. Other awards are the Achievement Trophy to the team showing the greatest improvement during the year, and the Intramural Athlete of the Year Award presented to the individual who wins the most number of points during the year.

Athletic events are conducted by round robin, elimination, and double elimination tournaments. Points are awarded to teams placing first, second, and third. In case of a tie, play-offs are set up. For other information concerning intramurals contact Coach Weickel in Hulley Gym, or see the intramural bulletin board.

WOMEN'S INTRAMURALS

The program for women is similar to that for men. Under the direction of the women's Intramural Board a varied program of sports is planned. Teams are sponsored by the sororities and other organizations who wish to participate. These groups compete in volleyball, basketball, softball, tennis, table tennis and archery, vying for the Intramural Trophy which is presented to the team winning the greatest number of points during the year. Also, a Participation Trophy is given. Outstanding players are chosen "Rookie of the Year," and "Athlete of the Year." The rules for awarding points are the same as those for the men's intramurals.

RELIGIOUS LIFE

The formal religious activities of the campus are planned and executed by the Religious Life Council. This Council is composed of representatives from each of the organized religious organizations. Appropriate programs are planned for Christmas, Easter, and other significant occasions. Director of religious activities who also serves as chairman of the Council is Jack Mabry. Further information may be obtained by contacting Mr. Mabry at Box 1356.

Chapel services are conducted on a voluntary basis every Wednesday at 10:00 a.m. Speakers for these services are selected from those serving as pastors, leaders of other institutions, and members of the faculty of Stetson University. This time of worship within the campus community is a part of the University's Christian witness and is designed to encourage the student's spiritual growth.

Interdenominational vespers are held each Tuesday and Thursday at 6:30 p.m. in Allen Hall. These devotional services are planned by a student committee of the Baptist Campus Ministry. You are invited and encouraged to attend.
